worldview, enthusiasm

Our country from the beginning science, literature, medicine and other many branches scientists, scientists hearth become service is doing. This is the country to the world spirituality and marifatning all fields hundreds, thousands world great beings, state _ officials brought up gave _ Universality enlightenment in creating great our ancestors directly participation his, his development and enrichment huge contribution added. Medium of Asia cultural inheritance world culture and marifatinin organic inseparable composition part of Ours our ancestors mathematics, medicine, astronomy and more a how much of sciences founders is calculated. We are young history deep examine ota our ancestors take went work to be continued we can necessary. That's how we are young marifatli perfect man become voyaga we get Current kunda Dear our president Shavkat Miromonovich to young people creating giving opportunities only numbered advanced countries on the road put _ From these possibilities using our youth in front of us put the goal our duties our country development for have power and our zeal to work to put we are ready Current kunda Our President is young very much big confidence said again new education in the field opportunities the door open they are giving. State leader by young generation formation first pallasida education issues separately e'tibor is focused. Including our state leader Shavkat Mirziyoyev almost all reform sofa young people support in politics of what he sees obviously confirmation as primary, secondary and higher education reform. Of these reforms achievement and this _ in the field corruption against struggle, and youth state and laws confidence is increasing.

Foreign education from institutions in ourselves higher education training to their homeland to read transfer, test processes, a of time in 5 universities knowledge try to see issues of this bright is an example.

Today kunda cadres legal culture increase on the way many annual labor internship has is the leader positions functional walking youth privileged master's stage to read recommended reach about government decisions are also taken into account merit _

Day and night our state of the head youth with again at the meeting new opportunities tilga taken, this new In Uzbekistan of our youth his worldview is also radical to change basis was _ Including from them one next from higher education institutions login in the exams eng 200 people with high scores young for

President grants current are given . Also two _ and from him more than children higher training in the country agreement based on reading to families privileged education credits give on the road is set . Of our youth influential foreign higher training countries scholarship take for to assist separately e'tibor is focused . International education programs on eng high points collected talented to young people exam submit costs complete covering is given . Seeker young people encouragement In order to “ Young scientists ” innovative choice for 30 billion more than funds separated itself is large opportunity . From 2021 onwards school students and higher training lands students In the middle of “ Future scientist ” competition formed to do through youth eng good innovative and startup 50 billion soums for projects funds redirection on instruction to be taken into account deserves . Kelgusi training year from in our republic foreign higher training lands bachelor's degree phase students also for the President and state scholarships current reach young people high morality and strong knowledge owner and patriotism in the spirit voyaga reach created opportunity success basis , - degan we are sure . One more happy message that is , science way selected talented our youth support in order to next from from master's and doctoral studies lines for President scholarship quotas two barobarga being increased .

Such opportunity and privileges first of all new Renaissance of the foundation creators merit are becoming . State of the head confidence and youth for created such opportunities new Of Uzbekistan development development for kotta tutrki it has been desak xech raw exaggeration will not happen . We are young this opportunities using our country the future for mature qualifying cadre become our maturity , our ancestors dream did here it is so farovon , ozod our lives esteem _ _ a old our lands koz like our pupil our preservation necessary , ana only then our country more flourishing thrives . That's it in place our country first President IA Karimov this words I remember “ Our youth from us kora smart , knowledgeable , strong and of course happy be condition ”.

That's me your country children as that I mean , I am ozod , rim Like Uzbekistan in the country since i was born I am proud . All youth in the heart mother so to the country loyalty , affection consequence feelings josh hit standing I believe . To young people constant attention and care As shown , we are students own our ability and our potential full show in life _ suitable place find for convenient social environment , appropriate conditions creating giving our president for our people for our country development for our Uzbekistan new awakening period Create on the way our backs maxkam bind fidokorona labor we do and service always we are ready It 's on the way huge dreams and hopes , great savings with to our ranks joining our youth is key our support and is our backbone .

My homeland , we love you xech when to no one giving we do not put .
